MANY THANKS

The Class of 1988 would like to express it's most sincere gratitude to the following individuals and groups of people who have made our years here at Millbury High the success that they have been.

First and foremost we thank all the citizens of the town of Millbury for there generous financial and moral support. We thank the various members of the school committee for there encouragement and judgement in our behalf. We thank Dr. Alfred J. Sylvia our school superintendent for his leadership and direction.

Special thanks to our Principal Mr. Carmody and our Assistant Principal Mr. Capperelli as well as to all the other school administrators in the Millbury school system for there involvement in our progress. We especially thank all the many teachers who have molded us into the promising young adults we feel we have become. We realize that without there collective effort in our behalf our education and subsequent graduation would not have been possible.

Finally an extra special thank you to Mr Dennis Leonard and Mr. Neil Lucey our class advisors who personally guided our final high school years with tender loving care. Also we thank Mr. Eugene Genese our year book advisor who helped us prepare this final memory we will cherish always.

The Millbury Football team compiled a 2-7-1 record. Although the record can be deceiving, the team had one of its best seasons of the past few years.

Led by senior captain Matt Corridori, the team had a long but exciting season.

The team's 12 seniors helped show some promising spots to the underclassmen. The seniors included Tim Cluett, Jeff Roberts, Matt Corridori, Jon Flamand, Shawn Hanratty, Paul Prus, John Gordon, Roger Gordon, Gregg Jacobson, Keith Pierce, Steven Frederico, and Bill Martin.

The Seniors leave with many good memories and wish the best of luck to next year's team.

The Varsity Volleyball Team was led this year by senior Captain Heather Bourassa. Under her leadership the team won more games and matches than the previous season. The team has some good spikers in Katie Hedlund, Heather Bourassa, Shannon O'Leary and Melissa Haglund. Some of our strong servers were Donna Adams, Maxine Dupre, Katie Hedlund, Stephanie Muzzy, Tina Cocaine and Melissa Phelan.

The Millbury Boys Varsity Soccer Team completed it's most successful season ever with an overall record of 18-1. Their regular season included an undefeated record of 17-0, an SWCL title, and a #1 ranking in the Districts. This Woolie team advanced to the District Finals for the second straight year, but lost to Algonquin and Nashoba.

This team allowed only 3 goals throughout the regular season and posted 14 shutouts including a string of 9 shutouts on a row at the beginning of the season—which is a school record. The team was noted for its intimidating defense led by Tom Grabauskas, Scot Turner (Co-Captains), and Pete Balkus. The offense also proved it was of the caliber that could play against any team in the area. This team scored twice the goals scored in the 1986 season. Matt Bleau and Ziggy P. were the leaders on the offensive end of the field. Matt scored both of the goals scored in the semi-final game against Bay Path. These five seniors overall record for the two years playing together was 29-3-7.

The Millbury Girl's Soccer team missed making the District Playoffs by a single point. The rugged schedule took its toll on the team physically, and with a few beaks our way, the team could have made the District Tournament, and would have made a good showing in Division II. Eight teams out of the 14 on the Millbury schedule made the tournament.

The team was led in scoring by Kathy Ayotte with 16 goals. Millbury will miss the services of Jodi Bush, Millbury's goal keeper for four years. She, unfortunately, injured a finger and was forced out of the goal for almost half the season.

Marie Labreck, a real tough competitor for 3 years, will also be hard to replace. Michelle Nadeau injured her back and sat out much of the seaon, but was also a force when able to play.

Look for Millbury to be a legitimate contender for Division II finals next year.

Brian Tift, Joe Bunevith, Chris Carle

The Boy's Cross Country team compiled a very respectable 5-7 dual meet record highlighted by the performance of Jim Wackall, one of the league's premier runners.

The team's outlook is a promising one due to the steady improvement of new comers Joe Bunevith and Brian Tift. M.V.P. Chris Carle and the rest of the team's members will be returning and after a summer of hard work, hope to challenge for the league title next year.

The Girls' Cross Country Team led by captains Jill Bush and Nicole Rocheleau, had an excellent year. The team compiled an undefeated record of 10-0 in dual meet competition on its way to winning the Southern Worcester County League title.

Jane Tuttle and Kris Bumpus were the league's best two runners while Wendy Stead (M. V. P.) and Marriann Bubon showed great improvement.

Hopefully, next year's team will emulate the hard work, dedication, and standards of excellence set forth by Jill and Nicole. They will be missed!

This year's Millbury Woolies represented the team and school very well. The young men learned their lessons well from 1986-87. They won the League Championship and had a tremendous come-from-behind win in the Clark Tournament Final.

Senior leadership was very evident. Tom Grabauskas was injured most of the season, but his contributions were not unnoticed. Gregg Jacobson had another fine season as did Scot Turner. John Gordon and Steve Frederico.

With a powerful Group of Juniors this year, the future looks good for next year.

The Girl's Basketball Team was ably led by the senior co-captains Marie LaBreck and Jodi Bush. Their team completed the regular season with a fine 10-5 record before losing to Bartlett in the Districts.

Marie played excellent defense, led the team's fast break, and averaged nine points per game.

Jodi, the teams M.V.P., led the team in rebounding and points scored (13 & 15 respectively) and started the fast break with the fine outlet passes.

The season has many highlights which included an over-time victory over Leicester, a come-from-behind hard earned victory over arch-rival Northbridge. and a "buzzer-stuffer" against David Prouty.

Marie and Jodi played Varsity Basketball for four years and were named the "Tribune's" All Star Team. They will be missed!

The 1987-1988 Boys Indoor Track squad was hit hard by graduation. This year's had only one senior, Mike Newlands, and many new and inexperienced runners. The team also suffered through many injuries during the season. Not once did the entire team compete together because of injuries. Despite the apparent short comings, the team worked very hard and posted a 5-4 record. This record is deceiving as three of the losses came in the final events.

Leading the team was Mike Newlands, and underclassmen, Mike Tift, Mike Decoteau, Chris Carle, Brian Novak, Jim Wise and Bob Guyan. Bob Guyan was selected M.V.P. by his teammates.

The Girls Indoor Track team accomplished goals that no other Millbury Indoor team has ever achieved. The team won its' first ever league title and they finished with an undefeated 9-0 record.

The squad was small in size but rich in experience. Leading the team were seniors Jill Bush and Nicole Glinski. Their leadership and sacrafice enabled the team to win some very close meets.

Jill ran indoor track for four years and during the last three seasons the team had a 26-5-3 record. Jill made the top 10 in the high jump and the two mile.

Nicole's value to the team was her versitility. Nicole competed in 6 different events this year and made the top 10 in the shot put, high jump, and the 1000 yard run.

Many records were broken this year including two school records. Kristen Bumpus set a new 1000 yard run record and the mile relay team of Gina Orsi, Darla Pokraka, Jodi Cronan, and Kris Bumpus broke the old record by over a second.

Special congratulations to Jill Bush who ran winter track for 4 years, we will miss you!

The Millbury varsity baseball team completed another successful season. Besides winning the SWCL with a record of 10-2, the team made it to the district semi-finals where they were knocked out by Blackstone-Millville. The completed season marked the end of the careers of six seniors; Tim Cluett, Jon Flamand, John Gordon, Roger Gordon, Jeff Roberts and Matt Corridori.

The pitching staff led the team through the season with fine pitching and consistancy. Most of the staff will be back next year, and should be stronger than this year. With the return of many talented veterans, the Woolies will be sure to bring another championship home.

For the third year in a row, Millbury qualified for the districts but got defeated in the quarter finals by Bartlett 4-2, thus finishing an up and down season with a record of 12-6.

After the first four games of the season we were looking at a record of 1 win and 3 losses. Then came our turn around. We defeated Bartlett and Grafton in succession. This gave us the momentum going through the next 12 games, losing only twice, to Uxbridge, the league champs. We came from the bottom of the league to a second place finish in the SWCL.

We will be losing our three co-captains: Jodi Bush, Marie Labreck, and Shelly Nadeau to graduation. With the reserves and a good JV team we should have the resources to continue to be a strong competition in Central Mass.

The 1988 Girls Spring Track team finished the season with a 4-6 record overall, and a 3-3 league record. Many meets were very close, especially the Northbridge meet in which Millbury was defeated 67-69. The girls placed third in the S.W.C.L. meet.

This year's team was led by seniors Jill Bush and Nicole Rocheleau. Jill's contributions in the discus and long distance running, and Nicole's contributions in the long jump and the triple jump were greatly needed. Both Jill and Nicole ran Spring Track for four years.

Jill Bush was named M.V.P. Kristen Bumpus was the top scorer with 191 and three quarter points. Kristen, only a Junior, is currently sixth on the top 10 all time scorer list.

Next year's team will have many young, talented runners returning, and hopefully some new faces. The Millbury girl's stand a very good chance of placing first in the league next year.

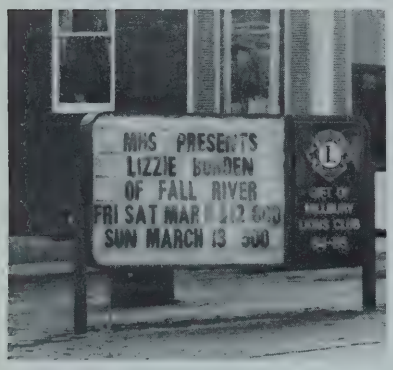
LIZZIE BORDEN OF FALL RIVER

On March 10th and 11th the Drama Club presented "Lizzie Borden of Fall River." A special performance was put on by the 8th graders on March 12th.

Playing the leading roles were seniors Heather Bourassa as Lizzie, and Cindy Berthiaume as Emma. Supporting roles included Craig Bartelloni, Melissa Haglund, Terry Horner, Sharyn Kuusisaari, Lordes Lopez, Deb Monahan, Michael Pappas, Melissa Phelan, Tracy Shorette, Bob Turner, Gary Williams, Scott Valentino, and Dawn Zeek. Directing this years production was Mr. Eugene Genese.

Although the play started off on shaky grounds, it turned out to be a very successful production.



Our Junior Prom was held at the Holy Cross Hogan center on Friday, May 22, 1987. A buffet was served with a variety of foods to chose from. The band Fame provided us with hours of enjoyable music for dancing.

Later in the evening the Prom Queen and her Court were chosen. Kim Simpson was chosen Prom Queen and her court consisted of Tracey Carlson, Jennifer Elworthy, Jill Bush, Jodi Bush, Michelle Nadeau, and Marie Labreck.

Everyone had an enjoyable time throughout the evening dancing and partying. It was a night that will never be forgotten.

Student Government Day was held on May 13th 1988. This annual event consisted of elected juniors and seniors to meet with counterparts from local town offices.

The variety of town offices included the School Department, the Millbury Public Library, the Town Hall along with various other positions. Each student met with his or her counterpart to learn the many activities that are involved in our town government.

JUNIOR PROM

The Junior Prom was held at Holy Cross Hogan Center on May 20, 1988. A disc jockey provided the music for the students to dance to.

The highlight of the evening was choosing the Prom Queen. Katie Hedlund was chosen Prom Queen and her court consisted of Melissa Haglund, Heather Murray, Wendy Stead, Rebecca Moss, Cindy Wade, and Karen Dunn.

NATIONAL HONOR SOCIETY

This year several members were inducted into the National Honor Society. Present members included Bonnie Crabbe, Maxine Dupre, Karen Dion, Darlene Gover, Melissa Haglund, Arlene Mattrick, Heather Murray, Scott Pease, Melissa Phelan, Chris Richards, Wendy Stead, Michael Tift, John Welcom, and Denise Young.

After four of the present members spoke on the qualities of character, leadership, scholarship, and service, the new members were inducted. They were Cindy Berthiaume, Joseph Bunevith, Jodi Bush, Matthew Gardner, Tom Grabauskas, Kristina Hedlund, Julie Jones, Brian Juneau, Mike Faron, Stephanie Muzzie, Ryan Roach, Kim Roe, Lori Sulham, and Rodney Williams.

Senior Events

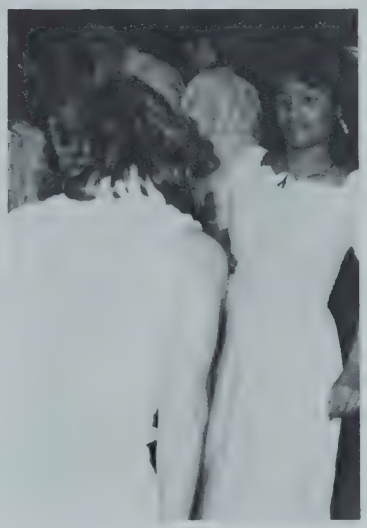
The Senior Semi-Formal was held on Friday, April 8, 1988 at the Yankee Drummer in Auburn.

There was a buffet dinner followed by dancing to a wide range of music chosen by the disc jockey, "Dancin Dan"

The night was filled with happiness and enjoyment making it a memorable evening.

Our Senior Supper was held at the V.F.W. Post on May 5, 1988. While awaiting a buffet dinner by Happy's Restaurant, George Desrosiers entertained the class with a slide show of past years.

Jason Gemme and Tina Campanale presented each class member with their own personal gift reflecting his or her personality. When the disc jockey finally got the music straight we all enjoyed dancing the night away.

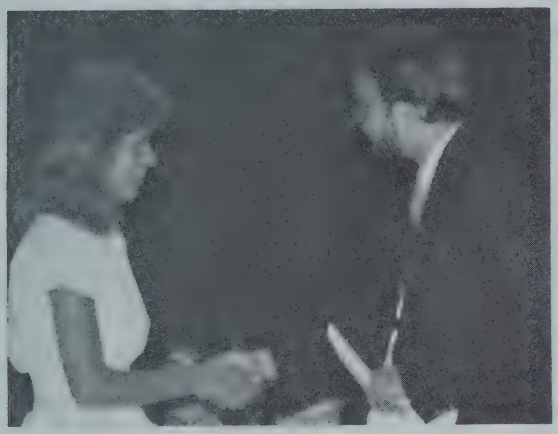


On Thursday May 26th, the Class of 88 enjoyed an exciting and memorable day at the Frank-Davis Resort in Connecticut.

The day was full of many activities and competitions. Although Millbury was defeated in many of the events, such as the canoe race and water balloon toss, the Millbury girls took first place in the tug-of-war by out pulling four of the surrounding towns.

Luckily, the weather held out and it turned into a beautiful day. Lunch and dinner were served with plenty for everyone. Even the boys seemed full.

The time we spent together will never be forgotten.

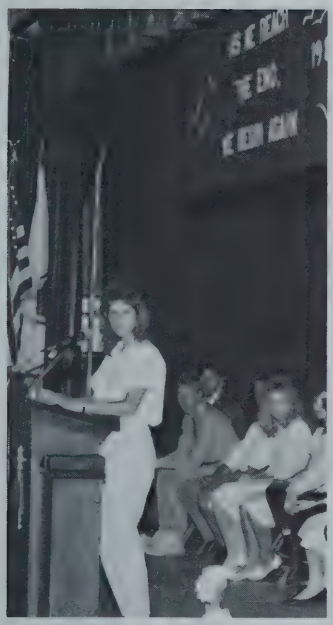


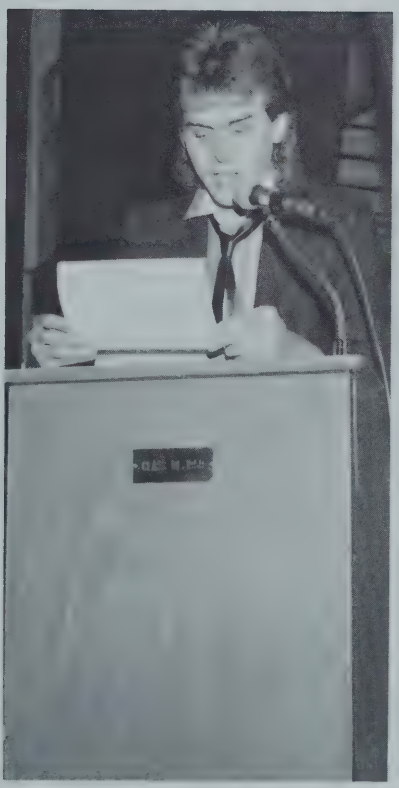
CLASS DAY

Our Class Day was held on June 3, 1988. The first item discussed was the class history. We looked back on past fundraisers, class officers, the very competitive winter carnivals and many other memorable occasions we've had.

The Last Will and Testament and our Class Prophecy were also read which brought laughter throughout the auditorium.

Before our Class Day was over, we presented our two class advisors, Mr. Dennis Leonard and Mr. Neil Lucey, each with a watch in appreciation for all their hard work and dedication they have shown towards our class.





GRADUATION DAY JUNE 5, 1988

On June 5, 1988 the moment we'd all been waiting for had arrived, our Graduation.

It was a beautiful day as family and friends watched each graduate recieve their diploma with pride and most of all a sense of accomplishment.

Speeches that were made during the ceremony were given by our class president Jason Gemme, Bonnie Crabbe our class valedictorian, honors speaker Denise Young, and the president of the Student Council, Scott Pease. Our guest speaker was Mr. Wayne Sclar who gave a very inspiring speech.

As each and every one of us listened to the speeches being made, we had realized that it would be the last time we, the Class of 1988, would ever be together. But we know that the memories we have created together in the past four years will never be forgotten. And now as we move on to broaden our horizons, reach our goals and fulfill our dreams, we will always remember the good times we shared as a class and how close we have become throughout our high school years.

LETTING GO

You've watched us change.
You've watched us grow.
I can't believe
We're letting go

Leaving all the people
And places that we've known.
It's hard to find a meaning
In growing up and leaving
home

You gave us hopes,
Watch us turn them into
realities.
You showed us life
And what it means
And created a world of
memories.

I can't believe it's so
We're spreading our wings
And letting go.

We're not afraid
Not afraid of what's ahead.
We'll think of all
The things you've said.

Facing every challenge
And meeting life head on.
We'll rise to each occasion
And live each day
Before it's gone.

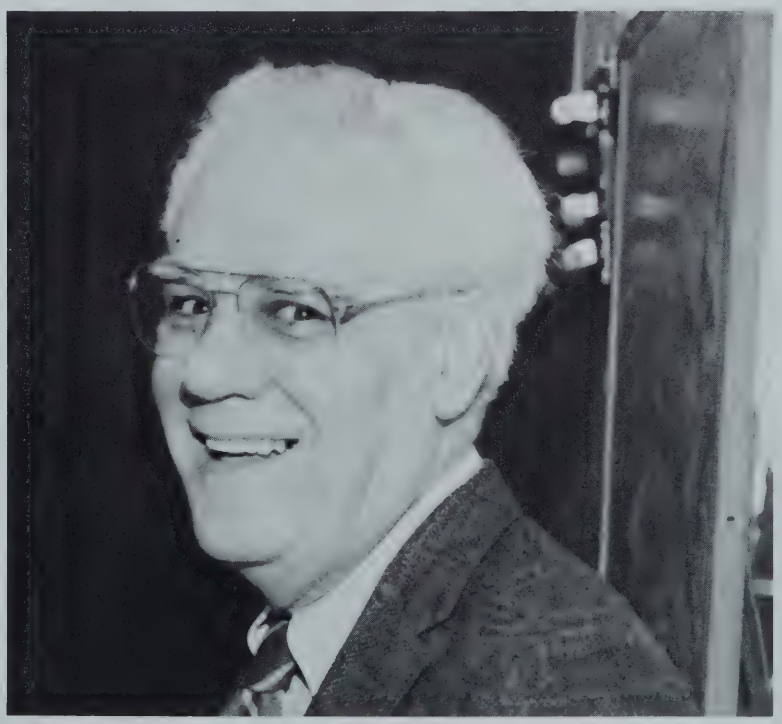
We could have never made it through the past four years without the help of our class advisors Mr. Dennis Leonard who's been with us since freshman year, and Mr. Neil Lucey who has been with us since our junior year. Without their dedication, hard work and involvement, we would never have been so successful as a class. They have united our class to the point where new friendships grew and old friendships grew stronger. From the Class of 1988 we would like to take the time to express our deepest appreciation and gratitude for everything that you have done for us. Thank you!

The class of 88 along with the entire faculty and staff of Millbury high would like to wish Mr. Harry Howard a very happy retirement. Mr. Howard began his teaching career in 1952. He taught twenty two years in the Millbury school system. Mr. Howard taught various social studies courses, he plans to travel now that he is retired. We wish him well.



A very special thanks also goes to Mr. Genese, our yearbook advisor. Through his guidance and support we were able to produce a successful yearbook for the class of 88
